and my 21

My dear Sir!

Your letter of the 17 Nov., enclosing cards of Michaux and Ad. de Lubien, reached me a few days ago; and as soon as possible I am anxious to send you my best thanks for all. I assure you that these cards and especially that of Lubien, <sup>with</sup> whom I was once personally acquainted, gave me much pleasure and I have only to lament that your letter did not contain one of yourself, which I should be very happy to have as soon as you can dispose of a copy.

From the circumstance that you had taken daguerotypes of those celeb. Botanists I think

I may conclude that it will give you pleasure to have early of also other botanical; to I include also one of my Father, from a portrait that was taken in the last years of his life.

I am also very thankful for your amiable offer to send me a copy of those of your works, which I did not already possess. The works of yours I have are the following:
